

**UNITED STATES COURT of the
EASTERN DISTRICT of PENNSYLVANIA**

August Archibald, Plaintiff

Case No. 2:20-cv-06207-JMY

v.

2nd Amended Complaint

Umar Johnson, Defendant

Jury Requested

.

Jurisdiction:

In accordance with 28 U.S. Code § 1331, the district courts have original jurisdiction. In accordance with 28 U.S. Code § 1343, § 1367 and § 1391(b)(2), the district courts have supplemental jurisdiction.

Venue:

Events occurred (and continue to occur) in the Third Circuit of the United States Federal Judiciary of which the Eastern District of Pennsylvania Court is part of. This civil action brings claims against Umar Johnson (abbreviated as "Johnson") and all of his alleged aliases (in all of their official and individual capacities).

Background Information:

Umar Johnson ("Johnson") is alleged to be the founder of the FDMG Academy which promotes itself as a "school" for Black boys.

Johnson has publicly stated that FDMG is owned by the "donors"; specifically those people who have donated to FDMG.

Umar Johnson's Alleged Doctorate Degree:

Umar Johnson publicly claims to have a doctorate degree in clinical psychology from the Philadelphia College of Osteopathic Medicine ("PCOM")..

Upon information and belief that Johnson's doctoral dissertation contained plagiarized material and, as such, Johnson was not permitted to graduate from PCOM with a doctorate degree in clinical psychology.

To date, Umar Johnson has never shown his doctorate degree from PCOM.

FDMG "Campus":

Public records confirm that the FMDG "campus", which consists of three abandoned buildings in Wilmington Delaware, was purchased for approximately \$400,000.00 in early 2019.

Umar Johnson has publicly disputed this purchase price, alleging in 2020 that the purchase of the property far exceeded \$400,000.00.

Johnson stopped short of disclosing what he alleges was the "true" cost of this real estate acquisition.

FDMG Fundraising:

Donations estimated to be between one (1) to three (3) million dollars have been made to Johnson's FDMG fundraising campaign.

FDMG donations have been given to Umar Johnson in the form(s) of cash, check and money order; as well as electronic payments and transfers through services such as Cash App and PayPal.

The total amount of FDMG donations received by Umar Johnson remains unknown. As such, FDMG as an acronym is satirically known to many in the Black Community as "Family Da Money's Gone".

Fraudulent Misrepresentation:

After Umar Johnson publicly announced the FDMG school acquisition in early 2019, I made a donation to FDMG in support of campus renovations.

Upon information and belief, this money did not go to FDMG campus renovations.

Upon information and belief, this money went to pay for Umar Johnson's luxury property located at:

1712 17th NW St, UNIT ***, Washington, DC 20009

(estimated 2021 value - \$1.9 million)

Upon information and belief, this money went to help finance Umar Johnson's "Ifatunde University".

"Ifatunde University" was a faux school made-up of Umar Johnson's inner circle.

Umar Johnson's Erratic Behavior:

In recent years, Umar Johnson has refused to answer FDMG fundraising questions in a rational, reasonable, knowledgeable and professional manner.

Umar Johnson has often responded to FDMG fundraising inquiries with ad hominem attacks against those who question and/or critique his handling of FMDG's funds.

Umar Johnson (pictured right) has an extensive public history of insulting, patronizing, demeaning and threatening his detractors. Johnson publicly claims to have a "pull up team", "ski mask club", "goonie goons" and a "FDMG Bureau of Investigation".

Umar Johnson's Nationwide Threat:

"the 2020 Umarian Call to Arms"

In 2020, Umar Johnson publicly demanded the personal addresses of his detractors (referred to by Johnson as "the haters").

Umar Johnson instructed his followers to procure the address locations of his detractors/"the haters" for the purposes of Johnson "pulling up" (i.e. a direct engagement with the intent of threatening an adversary and/or engage in violence against an adversary).

Transcribed Excerpts from Johnson's 2020 Video:

All of the following statements were made by Umar Johnson in direct reference to his detractors.

In reference to YouTube Detractor #1 Umar Johnson stated:

"Find out where he work. I'm going to see him when I get to D.C. this weekend."

"Find his address ... and get that shit to me"

In reference to YouTube Detractor #2 Umar Johnson stated:

"Find that coward's address; work or home. Find it. I'm pulling up on him."

In reference to Detractor #3 Umar Johnson stated:

(Johnson identifies this person as a former co-worker)

"He a lil' bitch ass nigga from Philly. Find that Bitch ass nigga 'cause he started this."

"I haven't forgotten about you, okay. I'mma see your bitch ass."

In reference to YouTube Detractor #4 Umar Johnson stated:

"She's the one on YouTube. I wanna pull up on her."

In reference to YouTube Detractor #5 Umar Johnson stated:

"I'm tired of this bitch nigga too. I've had enough of him too."

In reference to (possible) YouTube Detractor #6 Umar Johnson stated:

"Imma fuck him up too"

In reference to all of the aforementioned people Umar Johnson stated:

"I need home addresses. I need job addresses. Find these six people for me"

Related: "YouTube Detractor #6" (aka "MW")

It is uncertain as to whether MW is an Umar Johnson detractor.

Umar Johnson has publicly insulted MW's physical appearance (multiple times), describing MW as "ugly", "retarded-looking", appearing to have "down syndrome" and allegedly looking like a real-life "garbage pail kid".

Umar Johnson's supporters have publicly alleged that MW has a chronic and incurable sexually transmitted disease (alleged to be HIV/AIDS by Poetik Flakko).

Upon information and belief that MW is well known for making questionable homoerotic media content, including but not limited to, a verified video of MW simulating gay sex with a male blow-up doll - using a pink colored vibrator to simulate sodomy on said blow up doll. (credit: "TJS" and "SL")

The aforementioned insults and attacks by Umar Johnson and his supporters have not deterred MW from appearing to indirectly support Umar Johnson.

Strangely, MW produces media content that often criticizes Umar Johnson's critics and detractors.

Umar Johnson's "Umarians":

Umar Johnson's public tirades have encouraged his supporters, sympathizers, defenders, and protectors (collectively known as the "Umarians") to target, retaliate against and attack his detractors, critics and so-called "haters".

After the filing of this lawsuit, Umar Johnson's Umarians publicly conflated and linked my identity with well-known Umar Johnson Critics, Detractors and "Anti-Fraud" Professionals (AAS, LH and others).

After the filing of this lawsuit, several attempts were made to dox and retaliate against me by Umar Johnson, the Umarians and their associates.

Umar Johnson and the Umarians are aware of this lawsuit.

Retaliation:

In October of 2020, Umar Johnson announced that he was forming his own "FDMG bureau of investigation" to compile information for Johnson's "Book of Negroes".

Umar Johnson's "Book of Negroes" is an alleged dossier, containing the names, addresses and personal information of people that Umar Johnson has identified as his adversaries.

Upon information and belief that I have been added to Umar Johnson's "Book of Negroes".

After the filing of this lawsuit, Umar Johnson's Umarians (and their associates) publicly stated that they were going to "investigate" and retaliate against me.

Shakim Ra Harris:

"Shakim Ra" (aka) "Menkau Shakim Ra" (aka) "Amen Ra University" (aka) "Shakim Ra Harris" (aka) Shakim Rashiem Harris (real name) publically entertained the idea of hiring a computer hacker to expose my identity.

Harris has publicly displayed a malicious penchant for retaliation against Umar Johnson's detractors and critics.

Harris took to the internet (specifically YouTube) to publically document his filings of made-up whistleblower-themed complaints against the well-known Umar Johnson Critic and Detractor LH.

Harris filed these complaints believing that he was retaliating against me, August Archibald (the plaintiff in this case).

Harris conflated the identity of August Archibald with that of LH.

Harris has alleged that August Archibald and LH are the same person.

Harris further alleged that August Archibald and LH are colluding with another prominent and well-known Umar Johnson Detractor, Critic and Purveyor of Truth (AAS).

Harris has publicly stated (multiple times) that his made-up complaints were acts of retaliation against August Archibald and LH.

Harris has publicly stated that his made-up complaints are acts of retaliation for an alleged doxing conspiracy involving August Archibald and LH.

Harris alleges that his personal information was private prior to said doxing conspiracy.

Harris alleges that August Archibald and LH came in possession of Harris's personal information through a "legal dispute" (as described by Harris) involving one of his YouTube accounts (the YouTube account is named "Shakim Ra").

I allege that Harris's claims of conspiracy are false.

Harris's personal information was public long before his allegations of conspiracy.

Harris filed for bankruptcy in 2017 for debts in excess of \$19,000. Harris's personal information was made public through his bankruptcy filing in Michigan's federal court.

Harris established a limited liability company in 2018 called "Amen Ra Tech". Harris's personal information was made public through his filing.

Harris has made several direct references to this lawsuit - calling it "janky".

Harris has explained (in detail) his plans to retaliate against me and the aforementioned Umar Johnson detractor.

Harris has encouraged the general public to join his retaliation campaign.

Harris has provided step-by-step video tutorials (via YouTube), detailing how to file made-up complaints at the federal and state levels of government against the aforementioned targets.

Harris's unsubstantiated and retaliatory claims of tax and welfare fraud appear to be in violation of various federal, state and local statutes - including, but limited to:

United States Criminal Code:

18 U.S. Code § 1001 - Statements or entries generally

(a) Except as otherwise provided in this section, whoever, in any matter within the jurisdiction of the executive, legislative, or judicial branch of the Government of the United States, knowingly and willfully—

(2) makes any materially false, fictitious, or fraudulent statement or representation;

Utah State Criminal Code:

76-8-506. Providing false information to law enforcement officers, government agencies, or specified professionals.

A person is guilty of a class B misdemeanor if he:

(1) knowingly gives or causes to be given false information to any peace officer or any state or local government agency or personnel with a purpose of inducing the recipient of the information to believe that another has committed an offense;

Continued Retaliation:

On January 18, 2021 Harris announced that his fraud complaints against the aforementioned Umar Johnson detractors was being investigated by the state of Utah.

Harris believed that he was retaliating against me by filing these made-up complaints.

Harris made his investigation announcement on the same day that the United States of America celebrated the birthday of Black Civil Rights Leader Dr. Martin Luther King, Jr. ("MLK") in 2021.

Umar Johnson's close confidant, Tiffany Griffin ("Griffin"), praised Harris's retaliation efforts.

Umar Johnson has incited, encouraged and ordered his Umarians, their associates and his supporters to engage in these types of attacks against the aforementioned targets and others (including myself).

Umar Johnson bears responsibility for these actions.

Umar Johnson encourages acts of conflict, retaliation and dissension between Black people.

At a New York City event in October of 2020, Johnson asked one of his supporters in Kansas City to "pull up" on one of Johnson's well-known Critics and Detractors known as "GP".

Upon information and belief that GP resides in Kansas City.

Upon information and belief that the Umarians and their associates have attempted to link my identity with GP.

Upon information and belief that Umar Johnson's complaints (about GP) have fueled multiple threats of violence and acts of harassment against GP and GP's family.

Upon information and belief that GP and GP's family are Black/African-American.

Upon information and belief that Umar Johnson appears to hate Black people (which includes myself); calling for the murder of Black children; calling for retaliatory attacks against Black Women, Black Men and Black Families that include Black Boys.

Harris has publicly admitted to communicating with Johnson via email and text message.

Harris has publicly stated he would use his own money to help Umar Johnson take down LH's YouTube page.

Harris believed this would be a retaliatory attack against me.

Harris insulted another Black YouTube content producer, known as "MAC".

Harris called MAC a Nigerian scammer who was destined to "burn in hell" for his unwillingness to target and retaliate against Umar Johnson's critics and detractors.

Upon information and belief than MAC is not Nigerian and not a scammer.

Upon information and belief that Umar Johnson and Shakim Ra Harris are scammers.

Upon information and belief that Harris (similar to Umar Johnson) has been accused of being a scammer by people within the Black and African Communities.

Similar to Umar Johnson, Harris owns and operates a non-accredited so-called "school", known as the "Amen Ra University".

Said school is affiliated with Harris's Michigan-based limited liability company "Amen Ra Tech".

Harris's school offers a curriculum consisting of courses about Ancient Egypt and "Magic Spells".

Harris has provided no verifiable proof (beyond his own self-serving claims) to prove that his "Magic Spell" products actually work.

As such, it could be argued that Harris is a "scammer".

Harris has aligned himself with well-known Umarians - including Fredrick /Frederick Jallah (aka "Poetik Flakko"), Tiffany Ebony Griffin and many others.

Legal Claims of Action:

All claims are brought against Umar Johnson (and his many aliases) in his official capacity and individual capacity. All of the information in this complaint, including all exhibits, the original complaint and the 1st amended complaint, are incorporated into each and every claim of the 2nd amended complaint.

FIRST CAUSE OF ACTION:

42 U.S. Code § 1981 claim for racial discrimination.

SECOND CAUSE OF ACTION:

42 U.S. Code § 1981 for retaliation based on racial discrimination.

THIRD CAUSE OF ACTION:

42 U.S. Code § 1985 & 1986. Conspiracy to interfere with civil rights.

FOURTH CAUSE OF ACTION:

Tort of Fraudulent Misrepresentation.

Civil Damages & Relief:

Damages in excess of the statutory dollar requirement for diversity jurisdiction.

The Plaintiff and Defendant are residents of different states.

This is a rapidly evolving case. Umar Johnson is aware of this lawsuit. Direct and indirect retaliation has been taken against me and various people who Umar Johnson's sympathizers believe to be me.

Respectfully Submitted to the Court by:

s/ August S.P. Archibald | **Date:** January 20, 2021

 **Deborah Ishki Oklahumma** Ben Seti I believe he is indeed an agent. The entire time I met him he was at Wayne state- he as a Wayne state ID, giving him full access to their facilities, but he attended no classes. He used the young lady that worked with me to set me up and humiliate in the open food court by loud talking me and accusing me before foreigners who would never humiliate their elders in public. Yet this man wants to teach our ancient cultures, witchcraft and money mongering to our children. We must continue to expose him.

This is no University, the owner has no qualifications, no expertise, and believes in magic selling "spells" and "readings". When challenged, he'll ban you since he is exposed and can't debate intellectuality

Shakim Ra appears to be a quack, a fraud and Umar Johnson-like scam artist.

**SHAKIM RA DOES NOT APPEAR TO PRACTICE WHAT HE PREACHES.**

Shakim Ra publicly claims to have magic spells to destroy financial debts.

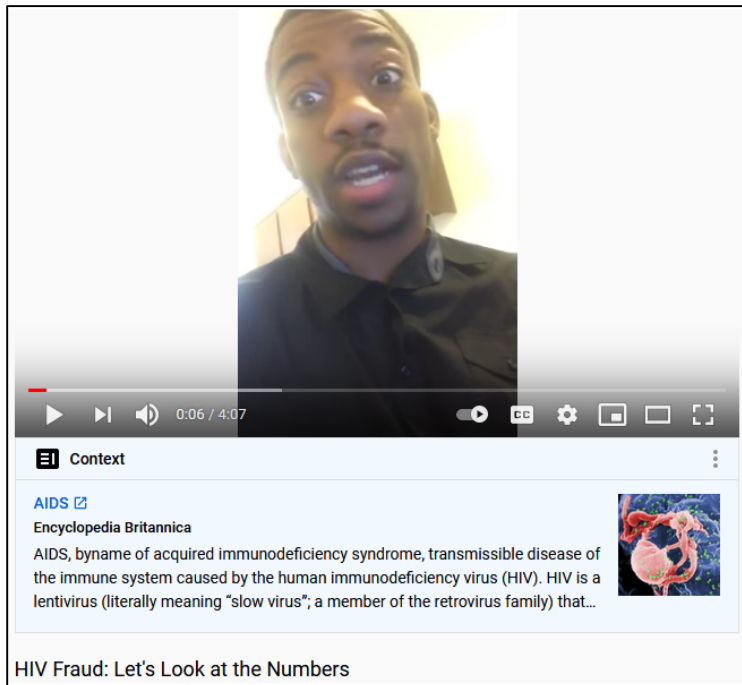

When Shakim Ra had over \$19,000 worth of financial debt, he did not use a magic spell to get rid of it.

Instead of using magic spells to get rid of his own financial debts, Shakim Ra Harris (aka "Shakim Harris") filed for

In his "HIV Fraud" video, Shakim Ra claims the number of 11,000 people (estimated to be infected with HIV in Detroit in 2018) is less than one percent of Detroit's total population of approximately 672,000 people. Shakim Ra claims to be a "mathematician" in his bio.

In his "HIV Fraud" video, Shakim Ra performs basic math on his calculator to determine what percentage of Detroit's total population is infected with HIV. Shakim Ra claims the answer is less than one percent. Shakim Ra's calculation is WRONG.

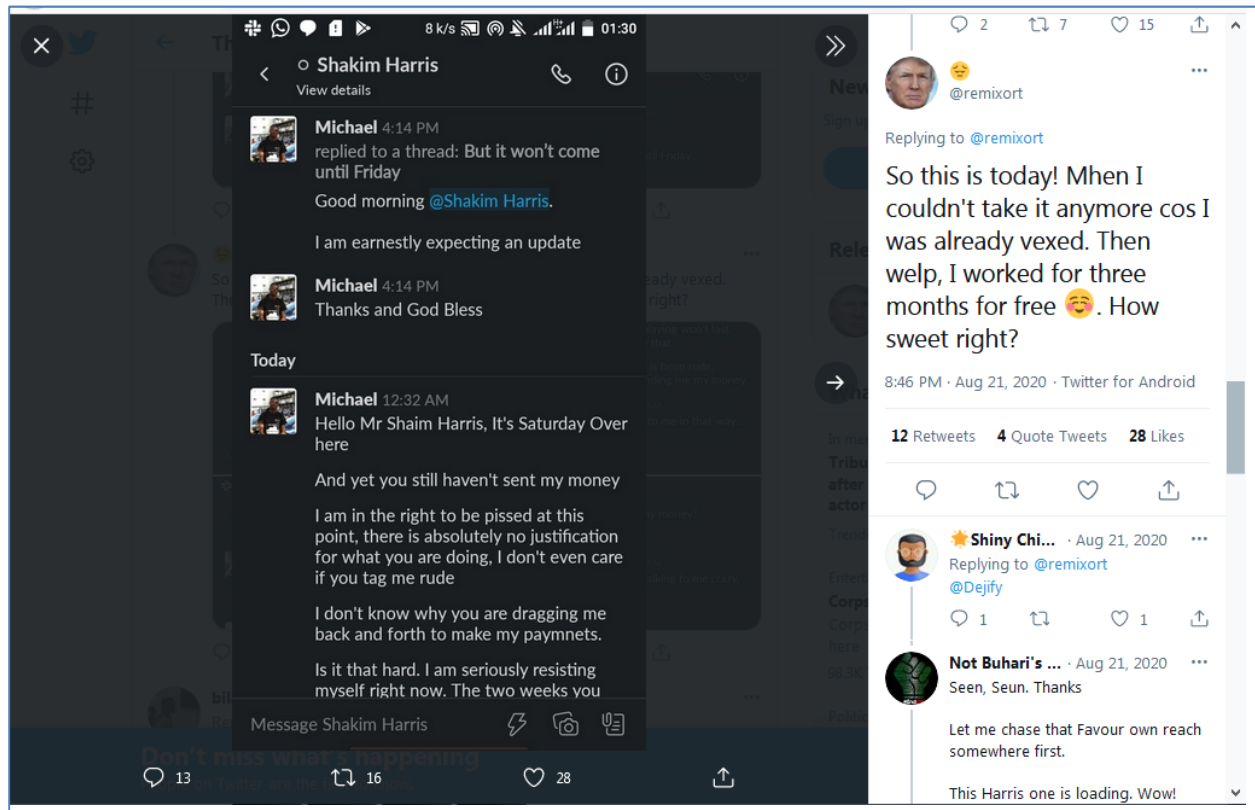

In his "HIV Fraud" video, Shakim Ra Harris then says a so-called "certified" German biologist has confirmed that 99% of HIV detection tests give **FALSE POSITIVES**.

A "false positive" means the HIV detection test has incorrectly determined that a person has HIV. Shakim Ra's "false positive" belief is misinformation - often promoted by HIV/AIDS denialists and naysayers. Listen to Shakim Ra's advice on HIV/AIDS and you'll likely DIE!

Shakim Ra (aka) Shakim Harris ended his "HIV Fraud" YouTube video by telling Black Women to not get tested for **HIV/AIDS.**
